Reasons for Allowance

The following is an examiner's statement of reasons for allowance:

The present invention drawn to a method for creating an embedded search link document is allowable for including the following non-obvious improvement in conjunction with the other claim limitations, over the prior art of reference:

in response to the determination that the test search results returned using the plurality of search parameters are satisfactory, embedding the search link having the plurality of search parameters into the genesis document to create the embedded search link document.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
